

SELECTED COMPLETED PROJECTS:

OLIVET EVANGELICAL FREE CHURCH EDUCATIONAL & GYMNASIUM ADDITION W/BARRIER FREE ENTRANCE 1050 West Southern Ave., Muskegon, MI 49444

View of the new Ramp Access to the Main Floor and the Basement.

View of the MAIN ENTRANCE after the renovation

View looking East at the main entrance to the new Library.

The two story structure is constructed with barrier free ramps from the first floor to the second floor to permit easy access. The main entrance to the church and the educational building was designed to join the two structures as if they were originally designed to fit together. The first floor includes five class rooms, one storage room, a large class room area, a gymnasium, a kitchen and restroom facilities. The second floor contains eleven classrooms, a library, the existing sanctuary, expanded narathex, and new entrances.
